

3,500 Reasons to Support

The Shenandoah Area Council, Boy Scouts of America, Inc. has long been a leader in our 9-county area. The council makes a difference in the lives of young men and women each week instilling the principals of the Scout Oath and Law at all age levels. We are currently serving more than 3,500 young men and women within the Northern Shenandoah Valley. These young people are given encouragement under the leadership of over 1,400 qualified and fully trained Scout Leaders.

We provide high quality programming, assistance, and nationally accredited facilities. The continuation of these high-quality programs and facilities require ever increasing costs.

To be able to accomplish the aims of Scouting and help finance this local quality Scouting program, we invite your participation and/or sponsorship of the Annual Boy Scout Golf Tournament.

Our board leadership takes great pride that 82% goes directly back into programs, 9% back toward fundraising, and only 9% in general management costs. Thank You for your support in developing better citizens.

42nd Annual BSA Golf Tournament

This year tournament will be virtual – its easy. Register and pay through us, choose a tee time 9/11-18 call the club to reserve, play, sit back and enjoy the closing ceremony and awards at 5PM
